

EcoPour Valve

ECO-friendly & ECOnomical

- > Green valve, with recyclable parts
- > A mechanical actuation that requires no electricity and even works under brown or black-out conditions!
- > Clever and ultra-reliable design eliminates the two leading causes (solenoid and switch activation) of service calls/failure
- > Lowest life cost valve delivers reliable performance at a sensible price and continued savings from a lack of energy consumption
- > **Dispensing Solutions that *Pour More***
